

# **MISSY ELLIOT SAYS:**

**EEB Friday Noon Seminar  
April 17, 12-1 PM  
Ecology 150  
Qs to Christine O'Connell**

## **GET UR GIT ON**

**Have you heard of git or Github and you want to get into it, but you're not sure what those words mean? Then this is the FNS for you!**

**Git is a revision control system (awesome for code or keeping paper drafts organized!) and Github is a rad web-based service that makes collaborating with git easy. Let's get you set up and using Github/git!**

**NO FANCY EXPERIENCE NEEDED. We'll play music and have fun!**
